 hello@paulbrickwell.com

 https://paulbrickwell.com

With over 13 years of experience managing IT systems, I have worked with on-site servers and entirely cloud-based solutions. I am shifting focus to Front-End Web Development after spending the last 5 years working on various web projects part-time. I have completed JavaScript and Vue.js bootcamps in addition to extensive and continues self-training.

Education

JavaScript Bootcamp
Scrimba - 2021

Vue Bootcamp
Scrimba - 2021

BS, Graphic Design
Full Sail University
2014 – 2017

Computer Science Classes
University of Alaska, Anchorage
2010 – 2014

Experience

● **Craig Taylor Equipment** // 2016 – Current
